Present at meeting: Dr. Stiefel, Dean; Mrs. Harrison, DPN; Mrs. Duelm, DVN; Mrs. Garza, DPN; Mrs. Reed, DST; Diane Tyler, Staff Member; Ameli Ramirez Co-President; Dawn Marshall Co-President; and Sandra Martin Secretary. Additionally there were students from LVN, DPN, and DST who attended.

There were no outstanding items from the November 11, 2009 meeting therefore the notes are filed as approved.

Discussions:***Topic 1.***

Scrubs for sale: Currently there is no regularly scheduled location for storage and sales. Through discussion with Diane Tyler (our staff member liaison) has agreed to allow the uniforms to be stored in a space located in the commons area. She will have the Security Guards notified of this use of space and of the dates, names, and times access will be requested. In addition, Diane will forward a school wide e-mail informing the campus of the agreed dates/times. The discussion with the group present came up with the following dates and times.

- Monday sales 11:30 1:00 (Dawn Marshall and Sandra Martin)
- Thursday sales 5:00 6:00 P.M. (Lisa Jeffers DPN)
- * Dates and times are subject to change*
- Prices: \$5.00 per set (cash or checks only checks are payable to BSHP)

Any donated uniforms may be given to the Student Services Department if the individual is not available during the times listed above.

All proceeds from the sale of uniforms will be given to the student crisis fund.

A huge Thanks goes out to all the students who are donating covered tubs for the storage of the uniforms.

Topic 2.

T-Shirts: Time to order again. Lisa Jeffers requested we get the price for sweatshirts in addition to the price for T-shirts. Last year the T-shirts were \$10 for sm./lg. and \$12 for XXL we needed a minimum of 36 shirts ordered.

This years sign up sheet and prices will be in the Student Services Department starting Monday, February 1st.

Deadline for T-Shirt order: Monday, 02/8/2010

Topic 3.

Student Crisis Fund Account: Dr. Stiefel reported that the student crisis fund had a balance of \$637.33 before last years bake sale, t-shirt drive, and uniform sales. Once these events were concluded the account grew by \$444.87 leaving a balance of \$1,083.32!

Topic 4.

Starting with the new semester **Mrs. Bonnie Reed** is the new chairperson for Student Government. She has been a member of student government for a couple of years and we are delighted she has taken on this role.

We would like to thank **Mrs. Peggy Harrison** for all her hard work and leadership for the past few years as Student Government chairperson!

Topic 5.

Patches: New students are always looking for locations to have their scrub patches placed professionally on their uniforms. There is a local business that will gladly do this for \$4 per patch. Please note that the business cards will be located on the boards and in Student Services. This is simply one option; your co-students may have other information regarding patches so check around.

Topic 6.

Computerized books: We are currently investigating if there is a company who will provide the school with discounts for ipod applications such as Davis Drug Guide, etc. More information will be disseminated once an agreement has been reached.

Topic 7.

This was a HUGE turn out for student government as we had students from many departments attend. Your interest and participation was greatly appreciated!
