5. Fundraising	change a \$20 (which is what the ATM dispenses). There is more to come on this as we are also waiting for the debit card swipe for the vending machines. There are still many talks about fundraising. The one idea that has come up in the last meeting was an idea to have a potluck with meals from many different nationalities and charge a small fee for the meals. Another idea is a play date with food to be sold at the activity site. More to come. Additionally, the T-Shirts were u for another sale (closed 5-10-2010) and baseball caps may be sold in the near future.	Sandra Martin Mrs. Dueln	Student Government /June 14 th (Next Meeting)
6. Electronic Applications	We were told that the only discounts that would be given from Unbound Medicine would be faculty and staff. However, we will be providing additional information regarding existing software that may be purchased. Keep your eye on the current students site, as more is to come.	Mrs. Reed, Fidel Perez, Sandra Martin	Student Government /June 14 th (Next Meeting)
6. (New Business) Recycling	The idea has come up that with the go green around the country perhaps BSHP should also assist in caring for the planet in a simple manner. There are currently no plans to recycle but Student Government will check into the possibilities for future recycling. The Dean stated the reason for not doing this now is due to the cost associated with recycling; we would actually have to pay to recycle!	Ameli Ramirez	Student Government /June 14 th (Next Meeting)
7. New Meeting Location	The Commons Area has been great but distracting with the machines, etc. Mrs. Reed will be checking on a new meeting location.	Mrs. Reed	Student Government /June 14 th (Next Meeting)
8. Silverware, sinks, and other condiments	We requested the possible use of the sink in the Commons Area and possible plastic ware, sugar packets, etc. The Dean was present and said that was not feasible at this time.	N/A	N/A
9. Dean's Corner	The Dean welcomes all those back to campus for the summer months! She would also like to announce that BSHP caps will be passed out to the campus for use during volunteer opportunities, etc. The Dean will be adding the information regarding the Student Crisis Fund to the Student Success Day agenda.
